Grand Canyon Skywalk 1 Day Tour (Chinese Speaking)

In the morning, pick up from the hotel in Las Vegas, transfer to the border of Nevada and Colorado to visit the Hoover Dam which is the tallest Dam in U.S.A., built in 1994. Hoover Dam is also well known as one of the Seven Wonders of the Industrial World.

After visiting Hoover Dam, transfer to the Grand Canyon West Rim. You may also enjoy the Admission to the newly built "Skywalk", see the Grand Canyon with a 720° view and the Colorado River 4,000 feet under. It has been approved that the Skywalk is able to withstand 71 fully loaded Boeing 747 airplanes at the same time. We will head back to Las Vegas in the late afternoon and drop off at Hotel in Las Vegas.
